Dear Community Members,

On February 24th, 2018 our synagogue will celebrate our Annual Gala Fundraising event. This gala is our largest fundraiser of the year and I am writing to ask for your support of our community efforts in South Orange County in any or all of the following ways:

- Donate an item for our silent and/or live auctions
- Place an advertisement in the event's keepsake journal
- Be an event sponsor (includes tickets and advertising)

Our community is an epicenter of good will and is committed to making the world a better place. The efforts of Temple Beth El members and the community are tied together and strengthened through Temple Beth El members living, working, and patronizing businesses in the community and participating in programs and events that help make the world a better place. For example, Temple Beth El members collect, donate, shelve, and distribute thousands of pounds of food each year to South County Outreach to help feed our local hungry, and our community works closely with countless other local non-profit organizations, like Illumination Foundation and Ocean Institute, to educate our children and families about what they can do to help protect our environment and help our neighbors. We partner with businesses to provide children in need with back-to-school supplies, and we host blood drives throughout the year that help save hundreds of lives. These are just a few examples.

Temple Beth El is a 501(c)3 charitable organization (Tax ID # 95-3749325), so your donations are tax deductible to the extent permitted by law, and the donations will be acknowledged to our membership throughout the months preceding the event.

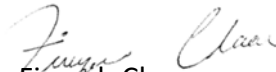

You can feel confident that a donation to our organization benefits our entire Orange County community – not just Temple Beth El.

Thank you in advance for your support.

If you have any questions, please **call us at 949-362-3999 extension 213 or email us at bpomush@tbesoc.org**.

Sincerely,

Bonni Pomush
